

# Squirrel Nut Zippers, Anything But Love

I sing a song about clouds and rainbows  
I hum a tune that sings like a dove.  
Rhyme some words about anything  
Anything but love.

I paint a picture of my prison  
With blue and grey from the skies above  
Framed and signed with the title  
"Anything but Love."

He had to go but I won't miss him  
I have got better things to do  
Like writing stories and painting pictures  
Of anything but love.

I write a story about a couple  
Steal a plot from an old movie  
You can tell what inspired it  
Anything but love.
