

# Squirrel Nut Zippers, Little Mother-In-Law

My old lady has got the cutest little mother in law  
Shes just a little bit crazy  
Shes the sweetest mom you ever saw  
Shes the one that I adore  
Shes the one who lives next door  
Always love her just because shes the little mother in law, yeah  
My old lady has got the cutest little mother in law  
Shes just a little bit crazy  
Well,shes just a little bit crazy  
Shes the one that I adore  
Only one woman that I love more  
Always feel this way because shes the little mother in law
