

# Squirrel Nut Zippers, Prince Nez

She:

Anywhere old Prince Nez goes  
That's where I go too  
He clears up a stormy sky,  
Whenever he's by my side.  
Everything's nearer, everything's clearer  
Everything's so divine.  
I don't care what momma sez  
Prince Nez I'm gonna make you mine.

He:

Anywhere old Prince Nez goes  
That's where she goes too!  
Always so debonair.  
Flirting with such a flair.  
(Oh you dog!)  
Everything's hazy, everything's crazy  
Everything's up in the air.  
My gal sez she loves Prince Nez  
But I really don't care.
