

# SR-71, Allison

There is this girl  
We all know  
shines like the stars.  
Makes us glow  
Yea, she's got it going on

And I think I'm in love  
With Allison  
ohhhhhh  
I'm in love  
ohhhhhh  
With Allison

So I take a walk, By myself  
Pass by her house,  
but I won't stop.  
What does she think, anyways  
She'll never hear I word I say

Yea, cause she's got it going on  
And I think I'm in love,  
with Allison  
Ohhh, Ohhh, Ohhh, Ohhh  
I'm in Love  
Ohhh, Ohhh, Ohhh, Ohhh  
With Allison  
Yea Yea Yea  
With Allison  
I know I think I'm in Love  
With Allison

Well I know I'm in love  
With Allison  
Ohhh, Ohhh, Ohhh, Ohhh  
Well I'm in love  
Ohhh, Ohhh, Ohhh, Ohhh  
With Allison  
Yea Yea Yea  
I know I'm in love  
I know that I'm in love with Allison
