

SR-71, Gone

Do you feel the need
To laugh behind my back?
Does it make up for
All the things you seem to lack?
But I see through you
Jealousy can't make you strong
I'll walk right through you
You'll close your eyes and I'll be...

Gone...do everything to prove you
Wrong...You're the ones that don't
Belong...Now you finally see that
I just can't stay in one place
Where I get torn down
When there's nobody else around

What doesn't kill me
Only makes me strong
If you can't feel me
Just close your eyes cause I'll be

Gone...do everything to prove you
Wrong...You're the ones that don't
Belong...now you finally see that
I just can't stay in a place
Where I get torn down
When there's nobody else around

All my life I've tried to find
My place where I fit in
Now I find in the dark I'm blind
To what everybody else thinks I am

Gone...do everything to prove you
Wrong...you're the ones that don't
Belong...Now you finally see that
I just can't stay in a place
Where I get torn down
When there's nobody else around
