

# SR-71, Gone

Do you feel the need  
To laugh behind my back?  
Does it make up for  
All the things you seem to lack?  
But I see through you  
Jealousy can't make you strong  
I'll walk right through you  
You'll close your eyes and I'll be...

Gone...do everything to prove you  
Wrong...You're the ones that don't  
Belong...Now you finally see that  
I just can't stay in one place  
Where I get torn down  
When there's nobody else around

What doesn't kill me  
Only makes me strong  
If you can't feel me  
Just close your eyes cause I'll be

Gone...do everything to prove you  
Wrong...You're the ones that don't  
Belong...now you finally see that  
I just can't stay in a place  
Where I get torn down  
When there's nobody else around

All my life I've tried to find  
My place where I fit in  
Now I find in the dark I'm blind  
To what everybody else thinks I am

Gone...do everything to prove you  
Wrong...you're the ones that don't  
Belong...Now you finally see that  
I just can't stay in a place  
Where I get torn down  
When there's nobody else around
