SR-71, Right Now

She clings to me like cellophane, Fake plastic submarine, Slowly driving me insane, But now that's over.

So what if the sex was great, Just a temporary escape, Another thing I grew to hate, But now that's over!

Why

Why do you always kick me when I'm high, Knock me down till we see eye to eye Figured her out I know she may not be Miss Right But she'll do right now She'll do right now

I used to hang on every word, Each lie was more absurd Kept me so insecure But now that's over

She taught me how to trust, And to believe in us, And then she taught me how to cuss That bitch it's over

You know I used to be.. such a nice boy

Whv

Why do you always kick me when I'm high, Knock me down till we see eye to eye Figured her out I know she may not be Miss Right But she'll do right now

She clings to me like cellophane, Fake plastic submarine, She's driving me insane, But now that's over (now that's over)
