St. Thomas, A Nice Bottle Of Wine

Oh, they've got their time to tell
Won't you rescue me
Walk those mountains
Kill those trees
Won't you rescue me

Oh, my girl has gone away
To an unknown valley
Walk those mountains
Kill those trees
Won't you rescue me
Me

Rai, rai, rai, rai, rai, rai, ra
Rai, rai, rai, rai, rai, ra
Rai, rai, rai, rai, rai, rai, ra
Rai, rai, rai, rai, rai, ra

She is on her own now
Can you bring her here
We could open up
A nice bottle of wine
