

# Stabilizer, Reaching Down

you could say its broken  
the silence that I've bottled up inside  
cuz once again this paper is full of my thoughts  
and a little sin...  
and i know what caused this change  
and i know what turned my rage  
if its real i know my place  
and if not please let me wake from this

doubt, you're reaching out  
i'm reaching down  
without any sound  
feet on the ground, maybe the clouds

and if we are that  
and if we are those things  
there's nowhere else my heart can beat  
but i don't want to stay here  
so come away  
won't you come away

the right two people  
on the one wrong planet  
of course we can just leave  
let's just leave...
