

Stacey Earle, Did I Say 'I'm Sorry'

Did I say, "I'm sorry"
Did I say, "I'm sorry"
Oh, did I say, "I'm sorry"
Well, I'm

See, sometimes I forget
I say things I regret
Getting harder to admit
I just don't know when to quit

I get all caught up in the night
Nothin' seems to be going right
Why, look who's standing there
Why, this could be perty fair and square

Oh, I'm, Oh, I'm, Oh, I'm

I find words so easily
But, only those that look good on me
Where would I start, or, even begin
Guess I'll open my heart and reach deep in

Oh, did I say, "I'm sorry"
Did I say, "I'm sorry"
Oh did I say, "I'm sorry"
Well I'm
