

Stacey Earle, Is It Enough (I Luuuv You)

I know about those things you want
I know there are some things that you need
I know between the two you'll manage
'Cause you know how to make do
But, Is it enough I love you

I won't make promises I can't keep
I'll only fill your head with sweet dreams
They were made just for you
A little somethin' you can hold on to

I have no gold for you
But, right now will my silver do
My silver wears so thin and fine
But, my love will last a lifetime

I talk big when I talk of someday
I hope to live every word I say
But, right now I hope it's enough
'Cause all I have to give you is my love
