

Stacey Earle, Wedding Night

Woke up early this morning on my day to shine
Daddy drinking coffee, reading his paper, trying to pass the time
Mama in the kitchen, burning up the telephone lines
Oh, get the ceremony rolling, I'm ready for my wedding night

Daddy paid a fortune for my white wedding gown
Seems a little silly when it's only his tradition now
Back down deep in my suitcase I got a black silk gown
Oh, get the ceremony rolling, I'm ready for my wedding night

Oooo-oooo-oooh I want my wedding night
Here comes Daddy's little gearle down the aisle, she's all dressed in white
Oh no no, Mama, there's no need to cry
Just get the ceremony rolling, I'm ready for my wedding night

Don't look once gearle, don't think it twice
Cause after tonight, the guy will be all mine all mine all mine all mine
Hear them chapel bells a-ringing, hear them choir boys a-singing
Get me to the church on time
Oh, get the ceremony rolling, I'm ready for my wedding night

Oooo-oooo-oooh I want my wedding night
Oh, here comes Daddy's little gearle down the aisle, she's all dressed in white
Oh no, Mama, there's no need to cry
Just get the ceremony rolling, I'm ready for my wedding night

My wedding night
My wedding night
Ooh, my wedding night
