

# Stacey Q, Two Of Hearts

I never said i wasn't gonna tell nobody  
no baby  
But desperate lover, I can't keep it to myself  
oh no  
When we're together it's like hot coals in a fire  
oh baby  
My body's burning so come on heat my desire  
come on come on  
Two of hearts  
Two hearts that beat as one  
Two of hearts  
I need you, I need you  
Two of hearts  
Two hearts that beat as one  
Two of hearts  
come on, come on  
People get jealous cuz we always stay together  
yeah baby  
I guess they really want a love like yours and mine  
together forever  
I never thought that I could ever be this happy  
yeah baby  
My prayers were answered, boy you came in the nick of time  
ohhh  
I got this feeling that you're going to stay  
I never knew that it could happen this way  
Before I met you I was falling apart  
But now at last I really know we're made of  
(chorus)  
I never said I wasn't gonna tell nobody  
no baby  
But desperate lover, I can't keep it to myself  
oh no  
When we're together it's like hot coals in a fire  
oh baby  
My body's burning so come on heat my desire  
ohhh  
I got this feeling that you're going to stay  
I never knew that it could happen this way  
Before I met you I was falling apart  
But now at last I really know we're made of  
(chorus)
