

Stacie Orrico, Bounce Bounce

It blew my mind into a million pieces
Pushed You aside and still You got my back
Chapter one, page one
This is the part where I got weak
Fell in to deep
Every day and night caught up in the hype
Started getting rough but
Cause You showed me love, I'm gonna
Bounce, bounce back
Shake it off, get right on track
I'm moving on, gotta put it in the past
Bounce, bounce back
Snap my fingers and just like that
I let it go, gotta let it fade to black
Like a river, cry all my tears
I have to swim through it
Dry it off, I'm outta here
Bounce, bounce back
Shake it off, I'm right on track
I'll be moving on, and on, and on, yeah
Bounce, bounce, bounce, bounce back
Bounce, bounce, bounce, bounce back
Another day, still playas out to run game
Trying to make me flow to places I don't roll
Chapter two, page two
Happening again, like deja vu, but it's brand new
Testing my faith, I won't make the same mistakes
So playa drop the drama
I flipped the script and now I'm gonna
Chorus
Yo, You've been down since the day I found You
There ain't no way that I can do without You
It's off the chain the way I feel about You
I know I fell astray, believe me when I say
This time I'm gonna be strong
Lord You know I'm gonna hold on
When You forgive a wrong, I'm leavin' it alone
Gonna be bounce, bounce, bounce, bouncin on
