

Stacie Orrico, Don't Look At Me

Don't look at me.. if your looking for perfection...
Don't look at me... I will only let you down...
I'll do my best to point you in the right direction...
But don't look at me... no, no, no... don't look at me.. look at Him

Sometimes I have a fear, that you will see a mirror...
and get the thought that it's the main attraction...
but all that you detect, is just what I reflect...
of the object of my own affection...
I'll lead you, to the one I found, He'll give you everything you need...

Don't look at me.. if your looking for perfection...
Don't look at me... I will only let you down...
I'll do my best to point you in the right direction...
But don't look at me... no, no, no... don't look at me.. look at Him

It's understandable... to want a hero...
but people can't meet all your expectations...
Still some can teach you things, about the love He brings
Just know the source of life is in the Savior...
I'll lead you, to the one I found... He'll give you everything you need...

Don't look at me.. if your looking for perfection...
Don't look at me... I will only let you down...
I'll do my best to point you in the right direction...
But don't look at me... no, no, no... don't look at me.. look at Him

He's the one who lived a perfect life, He's the one who always gets it right...
he's the one and only guiding light...
Ohhh, yeah...
He is everything you want to be, he's the answer to your every need...
If you follow Him then you will see He's like no other...yeah...

I'll do my best to point you in the right direction...
But don't look at me... no, no, no...
don't look at me...

I'll only let you down, I'll do my best to point you in the right direction,
but don't look at me... no,no,no...
don't look at me, look at Him.
