

Stacie Orrico, Holding On

Still holding on

Sometimes the pleasures I see in this world
Look so attractive to me
Some days I'm driven by the things that I want
More than the things that I need

When I'm weakest
They sparkle the brightest it's true
But they'll never shine brighter than You
When my mind is uncertain
My heart keeps holding on

My heart keeps Holding on
Holding on to you
(Holding on...to you)
My heart keeps holding on
Holding on to You

My eyes deceive me and turn me away
To the places I left behind
Can't trust these voices that lead me astray
Always confusing my mind

But the truth is
You've captured my heart I know
And there's no way I'll ever let go
When my mind is uncertain
My heart keeps holding on
(Holding on.....)

My heart keeps holding on
Holding on to You
(Holding on to You...holding on and on and on to You)
My heart keeps holding on
Holding on to You

My clinging to You
Is really You embracing me
My clinging to You
Is really You embracing me...oh

Holding on
My heart keeps holding on
Holding on
My heart keeps holding on
Holding on
My heart keeps holding on
My heart holding on
Holding on and on and on

My heart keeps holding on
Holding on to You
My heart keeps holding on
Holding on to You
