

Stacie Orrico, That's the Way

Why cant we be humble
Like the good Lord said
He promised to exalt us
And show us the way
How can men be so greedy
When there's so much land
All things are God given
And they all have been blessed
Thats the way
God planned it
Thats the way
He wants it to be
For you and me
Gotta say amen now to it
Thats the way
God planned it
Thats the way
He wants it to be
Let the whole world see
Dont ya know He'll get you through it
Let not your heart be troubled
Let morning sorrows cease
Learn to help one another
And live in perfect peace
If we just be humble
Like the good Lord said
He promised to exualt us
His love is the way
Thats the way
God planned it
Thats the way
He wants it to be
For you and for me
Gotta say amen now to it
Thats the Way
God planned it
Thats the way
He wants it to be
Lets' let the whole world see
dont you know He'll get you through it
Thats the way
I hope you get the message
When you dont
Somebody will
You may not understand me
But I'll love you still
Thats the way
God planned it
Thats the way
He wants it to be
For you and for me
Gotta say amen now to it
Thats the way
God planned it
thats the way
He wants it to be
He set the whole world free
Dont ya know He'll get you through it
