

# Stacie Orrico, With A Little Faith

I'd say I'm always happy if you want me to,  
But sometimes that's not the case  
My life's not as perfect as it seems to be--  
It's simply God's Amazing Grace  
\*I'm here to finally let you know\*  
What keeps me hanging on,  
What keeps me going strong  
\*I'm here to share His love with you\*  
There is no need to fear to live His life of love

Chorus:

With a little faith, with a little love  
I know we can make it,  
I know we can make it  
With a little help sent from God above  
I know we can make it,  
I know we can make it through

Ohh

I know what it takes to be yourself  
Instead of when they put you down  
\*down, down\*  
I can't understand why you choose to hide,  
when you should run to a strength that i've found  
\*if only you'd see for yourself\*  
Then you would know the one  
who loves you so much more  
\*if only I could help you out\*  
But God's the only one  
What are you waiting for

(Chorus 2x)

It seems to wash away  
Can't find a will to go on  
But I am hear to say:  
There's hope--you must carry on  
Jesus will light your way  
He'll give you all that you need  
No need to be afraid  
All you gotta do is believe

(chorus 2x)
