

# Stack Bundles, Peep Game

(feat. Bynoe)

[Stack Bundles:]

Ya dig, you fucked up

But I'll take the blame though

I'll take full responsibility four that stupid shit ma

(You left me for somebody else)

Sure ya did

But I forgive you

(Now I must face life by myself)

Bynoe do too (yea)

Talk to 'em Bynoe

[Verse 1: Bynoe]

I took you from a hood booger to a bitch with benefits (uhuh)

I even let you polish the pistols(yeah)

You wanna play games with my heart and my mental (My Mental)

I ain't stressin' it, you know how a pimp do (How a pimp do)

Now you hungry, got you scrapin' a plate (Yea)

I was the one that showed ya son how to fuckin' pee straight(pee straight)

I don't need to let welfare feed him

Now it's back to Chinese food, no more eatin' that four seasons (naw)

You'd prolly try to shoot me after this song

Because me and your sister had suttin' going on (going on)

I might've shooked you, but I never slapped you

Back in the hood, doin' shit that a rat do

Turk, bird bitch prolly fuckin' for Air Maxes

500, she'll let you claim her kids on your taxes (yea)

Ass-backwards, nicknamed her Stupido (stupido)

Now you at Summer Jam bein' a groupie hoe (groupie Hoe)

[Stack Bundles:]

Bynoe don't blame her though man

Like, if I wasn't part of the Riot I prolly wouldn't never believed it either I (wouldn't)

What you do

(You left me for somebody else)

Sure ya did

But I forgive you

(Now I must face life by myself)

I'm a tell you the funny part though

[Verse 2: Stack Bundles]

See, I laughed out loud

Everytime these bitches brought your name up (For real)

You talked funny whenever my name came up (damn)

Wasn't much I could change up,

Already had my change up

Still got the wagon even though the V's change up

We used to watch movies when it rains (Now)

Now I play shools with the crew and make it rain (make it rain)

Caviar taste, pockets of champagne

What's the phrase, I'm doin' the damn thang (for real)

Blow money like it grow on trees

But bitches is birds, so I buy 'em sunflower seeds (yea)

Ya lil' nigga open, he brought suttin' with' spokes out (ha)

My last deal was worth more than his folks house (ha)

Imagine this one, after records with Fab jim n em' an' (who else)

Yeah he quietly workin' on Paul EMINEM

Thought it was feminine, my wide success with the Rollers

You ain't respect Bynoe, the set with the Rollers (no respect)

My lucky charm let you blow into shakers

Nasty bitch, took it in your doo-doo maker

I'll, whoever said break-up to make up

Bitch I broke up cause I'm caked up

I'm gone

[Stack Bundles:]

(You left me for somebody else)

Sure ya did

What you gon' alienate yaself love  
[Bynoe:]  
I understand the things you did you did em for a reason  
You know what it is (I got something to say)  
When I was Getting it  
And them checks were comin  
You was messin with a wreckless youngin  
Next we fuckin you got knocked up  
Results I chopped up  
Then I got locked up  
I did it for you n my seed  
You was the air that I breathe  
I swore you wouldn't leave  
I could'ntbelieve  
That I ain't have no change  
That you would shit on my name  
And call me a bad father (fuck outta here)  
You fuckin up my head like a bad barber  
I got money u cool with me (you confusein me)  
I ain't got no money you act a fool with me (you confusein me)  
Shortie you trippin and I can't take it  
I'm thinkin I done made a mistake kid (yup)  
Go head leave I'm done (go head)  
I had 2 but you not the one  
Like Jet Li (that's right)  
You neva be the one to stand next to me  
Neva (neva)  
[Stack Bundles:]  
I thought about it  
I'll tell you how you could make it up to me sweetheart  
You could make an apology video or somethin'  
Post it on myspace  
I mean not my space  
But your space myspace sweetheart right  
(You left me  
Or we can see how the fans feel about it and shit  
See what kind of comments they post baby  
(Now I must face life by myself)  
See and if it works for you  
You could work in the mail room n work your way up again  
But wats that jay shyt  
&quot;Leave the bank book n the credit card n take everything you came with bitch&quot; (ha)  
The riots that gang  
(Can you remember the rain?)  
Whoes betta kno it  
Lord knows I know it  
Sing that shit girl  
(Can you remember the rain...)[till fades]  
Gotta remember  
Red
