

Stacy Lattisaw, Don't Throw It All Away

Here we go
Breaking up what we have built
Leaving out
All the good things that we felt
Where was I
Where was I before you came
Cause from the first time that I saw you
I knew
You were made for me

So don't throw it all away
Cause I don't want to be the one
Who's gonna have to beg you to stay
And I don't want to be the one
To change your mind
One more time
Please stay
Don't throw it all away

Though it seems
I'm just taking it out on you
Don't you know
You can see through
Found the door
But I couldn't find the key
Cause from the first time that I saw you
I knew
You were made for me
