

# Stacy Lattisaw, Jump To The Beat

Come on and jump to the beat (jump)  
Come on and dance with me  
Come on and jump to the beat (jump)  
Come on and dance with me

You're unsurpassed in style  
The price you paid was dear  
You make the moves come alive  
Yet movements dance with fear

Your speciality's lonely nights  
As you and pride compete  
Neglect the pain you hide  
Come on and dance with me

Come on and jump to the beat (jump)  
Come on and dance with me  
Come on and jump to the beat (jump)  
Come on and dance with me, yeah

Come on and jump to the beat (jump)  
Come on and dance with me  
Won't you dance with me  
Come on and jump to the beat (jump)  
Come on and dance with me

You'd rather dance alone  
When love steps too near  
Communicate with me  
Your doubts will disappear

If it's love you're searchin' for  
There's plenty love in me  
Embrace the good things in life  
Come on and dance with me.

Come on and jump to the beat (jump)  
Come on and dance with me  
Come on and jump to the beat (jump)  
Come on and dance with me, uh-uh-uh

Come on and jump to the beat (jump)  
Come on and dance with me, yeah  
Come on and jump to the beat (jump)  
Come on and dance with me

Won't you dance with me, say yeah

Go ahead, go ahead, go ahead, go ahead (x4)

Come on and jump to the beat (jump)  
Come on and dance with me  
Come on and jump to the beat (jump)  
Come on and dance with me
