

# Stage Dolls, Mystery

(T. Flakne/B. Icon)

Cruisin' low in a Cadillac  
two hearts runnin' wild  
she was the first girl I ever wanted  
set my soul on fire  
I keep this memory about you girl  
how it used to be  
she whispered boy this will last forever  
wasn't foolin' me  
Oh-oh-oh, oh-oh-oh  
it's a mystery  
what you did to me  
Lights dance in the summer night  
eyes blazin' like fire  
ooh pretty girl I'll never forget you  
'n that dangerous smile  
Keep this memory about you girl  
how it used to be  
she whispered boy this will last forever  
wasn't foolin' me  
Oh-oh-oh, oh-oh-oh  
it's a mystery  
what you did to me  
Somebody help me please  
I've been livin' in this fantasy  
unchain my heart girl, set me free  
Oh-oh-oh, oh-oh-oh  
it's a mystery  
what you did to me
