

Staind, Breakaway

Misery
The Company It Keeps
Is For Me
All These Things
We Keep Repeating
Like A Wheel
That Keeps Turning
If I Could Break Away
From This Moment
Break Away
What Is Real
Never Showing
Break Away
How I Feel
If I Could Break Away
Apathy
The Ignorance It Brings
The Tragedy
Of All These Things
We Keep Repeating
Like A Wheel
That Keeps Turning
If I Could Break Away
From This Moment
Break Away
What Is Real
Never Showing
Break Away
How I Feel
If I Could Break Away
Break Away
If I Could Break Away
Just Break Away
If I Could Break Away
From This Moment
Break Away
What Is Real
Break Away
Never Showing
Break Away
How I Feel
If I Could Break Away
If I Could Break Away
If I Could Break Away
