

# Staind, Breakaway

Misery  
The Company It Keeps  
Is For Me  
All These Things  
We Keep Repeating  
Like A Wheel  
That Keeps Turning  
If I Could Break Away  
From This Moment  
Break Away  
What Is Real  
Never Showing  
Break Away  
How I Feel  
If I Could Break Away  
Apathy  
The Ignorance It Brings  
The Tragedy  
Of All These Things  
We Keep Repeating  
Like A Wheel  
That Keeps Turning  
If I Could Break Away  
From This Moment  
Break Away  
What Is Real  
Never Showing  
Break Away  
How I Feel  
If I Could Break Away  
Break Away  
If I Could Break Away  
Just Break Away  
If I Could Break Away  
From This Moment  
Break Away  
What Is Real  
Break Away  
Never Showing  
Break Away  
How I Feel  
If I Could Break Away  
If I Could Break Away  
If I Could Break Away
