

# Staind, Bring The Noise (ft. Limp Bizkit)

Give me some guitars punk...

That's better

Sweet Leth

Limp Bizkit in the house!

What fuckin' house?

Seattle baby

Terry Date, Limp Bizkit, Staind

Bring the noise

Bass! how low can you go?

Death row what a brother knows

Once again, back is the incredible

The rhyme animal

The incredible D. Public Enemy number one

Five-o said freeze! and I got numb

Can I tell 'em that I really never had a gun?

But it's the wax that the Terminator X-1

Now they got me in a show 'cuz my records they sell

Cuz a brother like me said well?

Farrakhan's a racist and I think you should listen to

What he can say to you what you oughta do

Follow for now power to the people say.

Make the miracle, D. pump the lyrical

United we stand, all in all, we're gonna win.

Check it out, yeah y'all, here we go again

Turn it up, bring the noise

I said turn it up! bring the noise

Never badder than bad 'cuz the brother is madder than mad

At the fact that's corrupt as a senator

Soul on a roll, but you treat it like soap on a rope

Cuz the beats in the lines are so dope

Listen for lessons I'm saying

Inside music that the critics are all blasting me for

They'll never care for the brother and sisters

Across the country has us up for the war.

We got to demonstrate, (come on)

They're gonna have to wait ('till we get it right)

Radio stations I question their playlists

They call themselves black.

but we'll see if they'll play this

Lets turn it up, bring the noise

I said turn it up! bring the noise

Get from in front of me, the crowd runs to me

My DJ is Lethal dose, we call him Leth you know

He can cut a record from side to side

So what, the ride the glide should be much safer than a suicide

Soul control, beat is the father or our rock' n' roll

Music for whatcha, for whichin' you call a band man

Makin' a music abuse it but you can't do it, ya know

You call 'em demos but we ride limos, too

Whatcha gonna do? Rap is not afraid of you

Beat is for Sonny Bono, beat is for Yoko Ono

Run DMC first said a DJ could be a band

Stand on it's feet get you out your seat

Beat is for Eric B. and LB as well, hell

Records from Fred D still we can rock bells

Ever for ever, Universal it will sell

Time for me to exit, Terminator X-it

Turn it up, bring the noise

I said turn it up! bring the noise
