

Staind, Spleen

Can't breathe - Shut up - Shut up
I feel I give everything to you
Can't breathe - Shut up - Shut up
I think there's nothing left to do
Can't breathe - Shut up - Shut up

I don't like today
Take it all away
Just like what you say
I don't love you
Kinda like the way
Everything is gray
Just like what you say
I don't need you
I don't look like you
Do the things you do
But I'm fucked up too
I don't need you

Can't breathe - Shut up - Shut up
I feel you are what saves my soul
Can't breathe - Shut up - Shut up
I think I'll never lose control
Can't breathe - Shut up - Shut up

I don't like today
Take it all away
Just like what you say
I don't love you
Kinda like the way
Everything is gray
Just like what you say
I don't need you
I don't look like you
Do the things you do
But I'm fucked up too
I don't need you

I don't understand it, you're killing this planet
The scabs on her face it's a fucking disgrace
I blame you (x5)

Can't breathe - Shut up - Shut up

I don't like today
Take it all away
Just like what you say
I don't love you
Kinda like the way
Everything is gray
Just like what you say
I don't need you
I don't look like you
Do the things you do
But I'm fucked up too
I don't need you
