

# Staind, Suffer

Suffer x3

The more you see the more you do  
The television's feeding you  
With what you want to hear  
Anger and fear  
Because you suffer

The hate you feel won't go away  
You are programmed to feel this way  
To live another day  
Within a world that longs to suffer  
(Suffer)

And then i come to find  
And everything's ok  
Seen this all before  
But that was yesterday  
Try to walk right through  
The messes that i have made  
Just let me enjoy  
The life here that i live

I try to give this all to you  
Can't take anymore to deal with this  
It hurts inside  
I know why i hide  
Cause i suffer  
(Suffer)

I tried to keep it all inside  
It didn't leave me too much pride  
I forced it all down inside  
Forced myself to make me suffer  
(Suffer)

And then i come to find  
And everything's ok  
Seen this all before  
But that was yesterday  
Try to make it through  
The messes that i have made  
So i can enjoy  
The life here that i made

And then i come to find..

And then i come to find  
And everything's ok  
Seen this all before  
But that was yesterday  
Try to walk right through  
These messes that i have made  
Just try to enjoy  
This life here that i have
