Stan Bush, Ain't That Worth Something

Standin' In The Pourin' Rain
Seein' Your Face Again
Well I See It Everywhere I Go
Walkin' In The Dead Of Night
I Ain't Givin' Up Without A Fight
Holdin' On To What We Had Before

I Admit That I Was Wrong
Come On Back Where You Belong
Can We Talk About It
Don't Want To Live Without Your Love
Want It Over And Over

I'm Gonna Love You Like, Nobody Loves You
Ain't That Worth Somethin' Babe
I'm Gonna Hold You Like, Nobody Holds You
Ain't That Worth Somethin' Babe
And I Can't Resist The Fire
I've Been Blinded By Desire, Yeah

Too Many Nights Alone
I Was Headed For The Danger Zone
Yeah I Knew I That I Was Losin' Control
Love's Never Black And White
If I Had You In My Arms Tonight
Girl I'd Love You Like Never Before

And In The Moment It Takes
We Could Forgive All Our Mistakes
Cause Here And Now Is Real
And Girl I Wanna Feel Your Touch
Over And Over

I'm Gonna Love You Like, Nobody Loves You
Ain't That Worth Somethin' Babe
I'm Gonna Hold You Like, Nobody Holds You
Ain't That Worth Somethin' Babe
And I Can't Resist The Fire
I've Been Blinded By Desire
Ain't That Worth Something

Oh Yeah

Time Moves So Slowly
You Can Spend Your Life Lonely
Waitin' For A Miracle That Ain't Gonna Come
Once In A Lifetime
This May Be The Right Time
We Had It All There, Tell Me Where Would We Be Without Love

I Admit That I Was Wrong
Come On Back Where You Belong
Can We Talk About It
Don't Want To Live Without Your Love
Want It Over And Over

I'm Gonna Love You Like, Nobody Loves You
Ain't That Worth Somethin' Babe
I'm Gonna Hold You Like Nobody Holds You
Ain't That Worth Somethin' Babe
And I Can't Resist The Fire
I've Been Blinded By Desire

Ain't That Worth Somethin'

Oh Yeah
Ain't That Worth Somethin'
Yeah Yeah
Oh Oh
It's Still Alright

Oh Yeah
Ain't That Worth Somethin'
Yeah Yeah
Oh Oh
It's Still Alright
