

Stan Bush, Can't Live Without Love

No Little Darlin', You've Been Alone To Long
You're Probably Starvin' For Love
You've Always Stayed In
Hidin' Your Heart Away
You Can't Keep On Waitin' For Love

If You Want You Can Walk Through Walls
If You Want You Can Fly
You Can Do Almost Anythin'
Oh But Don't Even Try

Cause You Know
You Can't Live Without Love
Can't Live Without Love
Don't You Know
You Can't Live Without Love

Ohh No

Your Age Isn't Showing
The Years Have Been Kind To You
But You'd Better Get Goin' For Love
And When You've Succeeded
Found Happiness In Your Life
You Know That You'll Need It For Love

If You Want You Can Walk Through Walls
If You Want You Can Fly
You Can Do Almost Anythin'
Oh But Don't Even Try

Don't You Know
You Can't Live Without Love
Can't Live Without Love
Don't You Know
You Can't Live Without Love

Ohh No

Don't You Know
You Can't Live Without Love
Can't Live Without Love
Don't You Know
You Can't Live Without Love

Live Without Love
Can't Live Without Love
Don't You Know
You Can't Live Without Love

You Can't, You Can't, You Ohhhh (Can't Live Without Love)
Don't You Know, Ohhh Ohh (Can't Live Without Love)
Don't You Know
Live Without Love
You Can't Live Without Love
