

Stan Bush, Do You Remember

You're Alone, Alone In The Dark
Only Sound, Is The Beat Of Two Hearts
Tuen Around, Back Seat Of A Car
Worried Should It Go This Far

Do You Remember The Night
We Moved, So Slow
And Do You Remember The Night
We Lost Control
Ooh The Night
Ooh The Night
I Got My First Memory Of Love
From You

Never Forget How Awkward We Were
Teenage Years, Felt So Unsure
Searchin' Hands, Explorin' The Night
Our Wildest's Fear Is A Burnin' Light

Do You Remember The Night
We Moved, So Slow
And Do You Remember The Night
We Lost Control
Ooh The Night
Ooh The Night
I Got My First Memory Of Love
From You

Do You Remember The Night
We Moved, So Slow
And Do You Remember The Night
We Lost Control
Ooh The Night
Ooh The Night
I Got My First Memory Of Love

And Do You Remember The Night
We Moved, So Slow
And Do You Remember The Night
We Lost Control
Ooh The Night
Ooh The Night
I Got My First Memory Of Love
From You
