Hold Onto Your Dream  
It's Out There In The Blue  
Go Out And Make It Real  
It's Waiting There For You  
Waiting There For You, Ooh

On The Top Of The Highest Mountain  
You Can See What I Mean  
It Will Make You Feel Like Being  
Completely Free And Easy

Ooh

Step Up To The Stream  
It Comes Out Of The Field  
Cause Where The Night Falls In  
I'm Waiting There For You  
Waiting There For You, Oh

On The Top Of The Highest Mountain  
You Will Dream What I've Dreamed  
It Will Make You Feel Like Being  
Completely Free And Easy

Ooh

On The Top Of The Highest Mountain  
You Will See What I've Seen  
It Will Make You Feel Like Being  
Completely Free And Easy

You Will Dream What I've Dreamed  
What I've Dreamed
