

# Stan Bush, I Got It Bad For You

Runnin' Through The Jungle, In A Neon Paradies  
In The Air She Could Sense The Danger  
Like The Mighty Hunter, Ready For The Kill  
She Don't Trust The Cool Eyes Of A Stranger  
You Can Run But You Can't Hide  
Can't Fight It Even If You Try

I Got It Bad For You  
Makin' Me Feel Like Some Kind Of Animal  
I Got It Bad For You  
A Hungry Heart, Movin' Like A Cannibal  
You Can't Get Enough  
I Got It Bad For You

She Can Hear It Calling, A Voice Inside Her Soul  
She Can't Tame The Urges Of The Tiger  
There's A Heated Passion, Fire In Her Eyes  
No Escape From The Beast Inside Her  
Eye To Eye We Follow The Light  
Wonder If I'll Get Out Alive

I Got It Bad For You  
Makin' Me Feel Like Some Kind Of Animal  
I Got It Bad For You  
A Hungry Heart, Movin' Like A Cannibal  
You Can't Get Enough  
I Got It Bad For You

I Can't Run, I Can't Hide  
Can't Fight It, I Don't Want To Try  
Don't Even Care If I Get Out Alive
