

Stan Bush, Never Surrender

Never Surrender

You Were Born A Fighter
In The Blood A Mighty Warrior
Driven By Desire
Glory Calls, It's Waitn' For Ya

When They Try To Break You Down
You Can Take It, That Don't Shake You
When Your Back's Against The Wall
The Thrill Of The Fight's Got Ya Standin' Tall

Never Surrender
Never Say Die
You Got The Heart Of A Hero
Never Surrender
The Will To Survive
You're Standin' Strong In The Eye Of A Storm
Something Keeps Pushing You On
Never Surrender
Never Surrender

There's A Burnin' Passion
Deep Inside, A Silent Power
With A Quick Reaction
Lightening Strikes Your Fight For Honour

Winners Have A Price To Pay
You Can Taste It
That Don't Change It
You're Not There To Take The Fall
You'll Fight To The End And You'll Take It All

Never Surrender
Never Say Die
You Got The Heart Of A Hero
Never Surrender
Keep It Alive
You're Standin' Strong In The Eye Of A Storm
Something Keeps Pushing You On
Never Surrender
Never Surrender

You'll Never Stop 'Til You're Number One
It's Only A Matter Of Time
You'll Never Give Up
You'll Never Run
You're Layin' Your Life On The Line

Never Surrender (Never Surrender)
Never Say Die (Don't Stop)
(Never Surrender) Got The Will to Survive
Never Surrender (Don't Stop)
(Never Surrender) Yeah Yeah Yeah Yeah
(Don't Stop) (Never Surrender)
(Don't Stop) (Never Surrender)
(Don't Stop) (Never Surrender)
(Don't Stop) (Never Surrender)
