

Stan Bush, Round And Round

Feels Like A Locomotion
It Reaches Way Down In Your Soul
Nothin' Can Make Such Commotion
Like A Little Bit Of Rock 'N' Roll

Round And Round
Over And Over
Feel The Beat Coming Down
Round And Round
Over And Over
Such A Crazy Sound

Nobody How It Started
Or Exactly From Where It Came
All They Can Say Is It's Here To Stay
And I Don't Have To Say It's Name

But It Keeps Going
Round And Round
Over And Over
Feel The Beat Coming Down
Round And Round
Over And Over
Such A Crazy Sound
Rock 'N' Roll

All Around The World
People Moving To The Music
Every Boy And Girl
Their Hearts Start Pumpin'
They Can't Stop Jumpin'

Round And Round
Over And Over
Feel The Beat Coming Down
Round And Round
Over And Over
Such A Crazy Sound

Round And Round
Over And Over
Feel The Beat Coming Down
Oh, Oh, Over And Over
Such A Crazy Sound
Ohh

Oh, Round And Round
