

Stan Bush, Straight To The Top

Live in a town where you fight to survive
I've learned to stand on my own and to keep my dreams alive
Workin' hard every day when life stays the same, can bring a man down
But a feelin' drives me on, keeps my world turnin' 'round
I won't be satisfied, there's a hurricane I was born to ride

Chorus:

That's takin' me straight to the top, I wanna run where the eagles fly
Never gonna stop till I find my place in the sky

Takin' it straight to the top

When you're reachin' for the glory, you will never die

Down on the line, they're gettin' the best of me

But I don't belong here, I'll follow my destiny

When I stand on that mountain with my head in the clouds, I know who I am

And I'll find that higher ground where I can walk like a man

If I don't try I'll never know, there's a hunger down inside my soul

(chorus)

I won't be satisfied, there's a hurricane I was born to ride, yeah

(chorus)

(Solo)

I won't be satisfied, there's a hurricane I was born to ride, yeah

(chorus repeats out...)
