

Stan Bush, The Touch

You've got the touch, you've got the power.
Yeah.

After all is said and done, you never walk,
you never run, you're a winner.
You got the moves, you know the streets,
break the rules, take the heat, you're nobody's fool.
You're at your best when the going gets rough,
You've been put to the test but it's never enough.

You got the the touch, you got the power.
When all hell's breaking loose,
you'll be right in the eye of the storm.
You got the heart, you got the motion.
You know that when things get too tough,
you got the touch.

You never bend, you never break, you seem to know
just what it takes. You're a fighter
It's in the blood, it's in the will, it's in the mighty
hands of steel. When you're standin your ground.
And you never get hit when you're back's to the wall
gonna fight till the end and you're taking it all.

You got the touch, you got the power,
when all hell's breaking loose,
you'll be right in the eye of the storm.
You got the heart, you got the motion.
You know that when things get too tough, you got the touch.

You're fighting fire with fire.
You know you got the touch.

You're at your best when the going gets rough,
you've been put to the test but it's never enough.
You got the touch, you got the power.
Yeah.
