

Stan Bush, The Touch (1997 Remix)

You've got the touch
You've got the power
Yeah!
After all that's said and done
You never walk, you never run
You're a winner!

Got the moves, you know the streets
Break the rules, and take the heat
You're nobody's fool

You're at your best when the going gets rough
You've been put to the test, but it's never enough

You've got the touch
You've got the power
When all hell's breaking loose,
you'll be riding the eye of the storm
You've got the heart
You've got the motion
You know when things get too tough
You've got the touch

You never bend, you never break
You seem to know just what it takes
You're a fighter!

It's in the blood, it's in the will
It's in the mighty hands of steel

When you're standing your ground

And you never get hit when your back's to the wall
Gonna fight to the end, and you're taking it all

You've got the touch
You've got the power
When all hell's breaking loose,
you'll be riding the eye of the storm
You've got the heart
You've got the motion
You know when things get too tough
You've got the touch

You're fighting fire with fire

You know you got the touch

You're at your best when the going gets rough
You've been put to the test, but it's never enough

You got the touch
You got the power
Yeah!

You got the touch
You got the power
Touch!
