

Stan Ridgway, Don't Drop The Soap

There's a guard in the tower
We got just one hour
When we meet in the shower
You'll feel my love power

Chorus:
Don't drop the soap for anyone else but me x3

You be the momma, I'll be the pop
You be the bottom, I'll be the top

Chorus:
Don't drop the soap for anyone else but me x2

You say you're a fighter
But you won't make a sound
You'll be my pillow biter
When the sun goes down

Chorus:
Don't drop the soap for anyone else but me x3

Chorus:
Don't drop the soap for anyone else but me repeat and fade
