

Stand, Questions

How do you feel?
how do you show?
what makes you happy?
and how do you know?

How do you laugh?
how do you smile?
How do you feel,
with tears in your eyes?

How do you wish?
and what is it for?
Do you still love me?
Like you did before?

If you do, then I need you,
more than flowers need rain,
to get rid of this pain,
If you do, then I'll hold you,
so close to these arms,
to protect you from harm

How do you do?
what you do
when you do
when you do

Why would I leave?
I'm too afraid,
why should I change,
the promise I made?

How can I comfort?
how can I share?
do you feel lonely,
when I am not there?

Would you give hope?
can you give trust?
don't do as tempted,
but do if you must..

If you do, then I need you,
more than flowers need rain,
to get rid of this pain,
If you do, then I'll hold you,
so close to these arms,
to protect you from harm

How do you do?
what you do
when you do
when you do

How do you stand now?
and how do you plead?
do you plead guilty?
am I what you need?
I have all these questions,
going round in my mind,
have you the answers,
to put this behind?
