

# Standover Radio, Broken

Take my feelings tear me down  
All my words get turned around  
Your lies remain a mystery to me  
Well, I don't care anymore  
I'm just thinking about everything that you have said, but I can't see

I'm so scared of being broken  
I'm so scared of losing sanity you're a part of me.  
If you want it you can have it 'cause I can't get enough of you  
You always seem to break my heart and I can't get enough of you  
If you want this you can have it all the time I've lost you won  
Every day I bleed in silence wondering what I have become

So, why won't' you look at me  
You're afraid of what you'll see  
When your minds gone missing  
When my heart hits the ground  
Are you close enough to hear it's sound  
When there's no sound

I'm so scared of being broken  
I'm so scared of losing sanity you're a part of me.  
If you want it you can have it 'cause I can't get enough of you  
You always seem to break my heart and I can't get enough of you  
If you want this you can have it all the time I've lost you won  
Every day I bleed in silence wondering what I have become

I'm so scared of being broken  
Yeah, I'm so scared of losing sanity you're a part of me.

(Guitar solo)

'You're a part of me

If you want it you can have it 'cause I can't get enough of you  
You always seem to break my heart and I can't get enough of you  
If you want this you can have it all the time I've lost you won  
Every day I bleed in silence wondering what I have become

I'm so scared of being broken
