

Stanid, Zoe Jane

well I want you to notice
to notice when i'm not around
and I know that your eyes see straight through me
and speak to me without a sound

I want to hold you
protect you from all of the things I've already endured
I want to show you
Show you all the things that this life has in store for you
I'll always love you
the way that a father should love his daughter

when I walked out this morning
I cried as I walked to the door
I cried about how long i'd be away for
I cried about leaving you all alone

I want to hold you
protect you from all of the things I've already endured
I want to show you
Show you all the things that this life has in store for you

I'll always love you
the way that a father should love his daughter

sweet zoe jane,
sweet zoe jane..

so I wanted to say this
cuz I wouldn't know where to begin
to explain to you what I have been through
to explain where your daddy has been

I want to hold you
protect you from all of the things I've already endured
I want to show you
Show you all the things that this life has in store for you
I'll always love you
the way that a father should love his daughter

sweet zoe jane,
sweet zoe jane..
