

# Star Sailor, Way To Fall

Son,  
You've got a way to fall  
They'll tell you where to go  
But they won't know

Son,  
You'd better take it all  
They'll tell you what they know  
But they won't show

Oh,  
I've got something in my throat  
I need to be alone  
While I suffer

Son,  
You've got a way to kill  
They're picking on you still  
But they won't know

Son,  
You'd better wait to shine  
They'll tell you what is yours  
But they take mine

Oh,  
I've got something in my throat  
I need to be alone  
While I suffer

Oh,  
There's a hole inside my boat  
I need to stay afloat  
For the summer

Oh~

(Middle 8)

Ohh!  
"(left my sweet soul)"  
I've got something in my throat  
"(beneath the bedclothes)"  
I need to be alone  
"(I'm not coming down)"  
While I suffer

Ohh,  
"(walls have ears)"  
There's a hole inside my boat  
"(but no-one hears)"  
I need to stay afloat  
"(when nobody's around)"  
For the summer

Son,  
You'd better wait to fall  
They'll tell you where to go  
But they won't know...
