

# Stardog Champion, Gentle Groove

Like my world I'm on fire  
I am full of desire, yeah  
No more preaching on your part  
No more love on my pillow, yeah  
Come dance with me in my room  
You can hold me hands, yeah  
I'm gonna be your boyfriend  
And you can call me names  
And nothing's gonna change the way I feel for my love  
And nobody's gonna slow my gentle groove  
Till kingdom come thy work is done on earth as it is in Dallas  
Come play with me in my room  
You can hold me hands  
I'm gonna be your boyfriend  
You can call me names - a names  
And nothing's gonna take the power away from my love  
And no one's gonna change the way I feel  
And nobody's gonna slow my gentle groove  
Till kingdom come thy work is done on earth as it is in Dallas  
And nobody's gonna take my love away  
And nobody's gonna slow my gentle groove  
Till kingdom come thy work is done on earth as it is in Dallas
