Stardog Champion, Half Ass Monkeyboy

Scratching and dreaming till night turns into day It's a surefire method to waste your life away But I'm obliged to give you my disease I'm abracadabra I do what I please Stone cold mama - she's a bird from a feather I focus all my energy, understanding you Such a pretty little prancer in a burgandy blue Witch hazel eyeballs taking care of love Remember the key mama - understand my words Stone cold mama - she's a bird from a feather Half-assed monkeyboy (4x) If you want a plate oof my beef swellington baby You're gonna have to pay the cover charge Open wide let me suck the gate
