

Stardog Champion, Mr. Danny Boy

what can i take from you
what can i take from you
whats worth a plug nickel from a silly fool
what can i take from you
why did i leave you there
why did i leave you there
with your long black kitty and your funky hair
why did i leave you there
see mr danny boy
did ya see mr danny boy
he's a rock top boxer just a bundle of joy
see mr danny boy
why did i leave you there
why did i leave you there
with your long black kitty and your funky hair
why did i leave you there
said baby
stop lovin by the rules
i heard the rumors danny
stop your talkin danny - i heard the rumors danny, danny
lost down in santa fe
i had love with a runaway
and to think my daddy thought i was gay
lost back in santa fe
the riff miester is my friend
the riff miester is my friend
i love that mother fucker till the very end
bolan was my man
said baby
stop lovin by the rules
i heard the rumors - danny
stop your talkin - danny i've heard the rumors danny danny
its a long, long road.....for this here desperado
and its cold cold cold, visions of tomorrow
when was the last time you wrote for me a song
