

# Stardog Champion, Stargazer

crazy, crazy, i'm the boy  
who defies all  
lift me higher than anyone  
and hold my arms  
woman, woman, she outta mind  
and simply out of soul  
she gets me higher than anyone  
i miss her so  
stargazer you call the shots  
and i take um  
stargazer won't ya kick with me  
(again)  
dancer, dancer, i'm all wrong  
she thinks she's young and wise  
she dance around my cable car  
and fix me up with a guy- why?  
chorus  
stargazer you cry in blue  
anything i've ever seen  
ain't as good as you  
i'm not trying to push your feelings (inside)  
but i know you hold me like a putty in yo' hands  
cry for me and rub it in  
cry for the saviors and the prophets son  
dream of me and julie ann  
oh xana come back again  
(repeat last two lines)
