

Starfield, Glorious One

You are beauty
Oh, how beautiful You are
Shining like a treasure

You are brilliant
And You overwhelm the stars
Glory without measure

Glorious One, Glorious One
Merciful Father
Beautiful Son

Glorious One, Glorious One
You are my pleasure, You are my song

Oh Glorious One

You are mercy, and Your mercy is Your crown
Infinite and ageless

You are forever, and forever You will be
Worthy of all praises

God Your fame is great
It cannot be contained
Your name is praised
Above all other names
