

Starfield, Love Of Another Kind (B-Side)

Love of another kind (b-side)
Starfield

I am purity
I am a king now
receiving grace where once stood
penalty and shame

I am survival
A constant battle
between what I am
and what I long to be

Freedom has found me
Your love surrounds me

Your voice is the wind
blowing through the trees
Your kiss is the rain
and it brings me to my knees
Into the courts of praise
I have come to find
Love of another kind

I am conviction
I am in process
I breathe the breath of God
the air of providence

I am a paradox
liver of two lives
one for heaven
one the road along the way

Freedom has found me
Your love surrounds me

Your voice is the wind
blowing through the trees
Your kiss is the rain
and it brings me to my knees
Into the courts of praise
I have come to find
Love of another kind
(Love of another kind)

To love the Lord your God with all
your heart and soul and all your mind
(repeat)

Your voice is the wind
blowing through the trees
Your kiss is the rain
and it brings me to my knees
Into the fields of praise
I will run to find
Love of another kind
