

Starflyer 59, Birthrite

Some might
Some might sell out on the birthrite
Never shy
And you never shot a bird right
But you're taking on the worst shine
You're taking on the worst shine
With the hairiness you never had

Some might
Sell out on the wrong side
In the corner of his eye
"Well he never shot a bird right"
But you're taking on the worst shine
You're taking on the worst shine
With the hairiness you never had
