

# Starflyer 59, Dethroned King

This is how you know when you can't do right  
Think you should have gone for a country life  
Good for nothing when you lose your ring  
Good for nothing but a dethroned king

A dethroned king...

This is how you know when you lose your ligh  
Think you should have gone for a country life  
Good for nothing when you lose your ring  
Good for nothing but a dethroned king

A dethroned king...
